Temenos announces completion of its second 2025 share buyback program

GRAND-LANCY, Switzerland, April 9, 2026 – Temenos AG (SIX: TEMN), a global leader in banking technology, today announces the successful completion of its second 2025 share buyback program.

This share buyback program, which commenced on December 11, 2025, was completed on April 8, 2026. During this period, Temenos repurchased a total of 1,377,899 registered shares via the ordinary trading line at an average price of CHF 72.5742 per share, for a total amount of CHF 100 million.

These repurchased shares represent 1.9% of the company's registered share capital, totaling 71,907,147 shares as of the date of this announcement.

The shares were repurchased for general business purposes, including employee equity incentive plans and/or the financing of potential acquisitions.

The share buyback is supported by Temenos' strong free cash flow generation. The company expects its leverage to be within the target range of 1.0 to 1.5x net debt to non-IFRS EBITDA by year-end 2026.
